NEWS AND VIEWS

Welcome to Wadham Road for today's match in the Love Lane Liverpool Competition for our Premier league fixture against Colwyn Bay CC. And a warm welcome to their players, officials and supporters too. We also extend a warm welcome to today's Umpires Chris Dunn and Wayne Vernon.
There was a tight race between ourselves and Colwyn Bay for the 1st Division title last season and it was only on the last day that it was confirmed. At present they are positioned at the bottom of the league despite beating Leigh at home last Saturday for their 2nd win of the season, but it's still early days in the Premier league so they will be looking to improve their position sooner rather than later that's for sure.

SATURDAY 7th JUNE, FIRWOOD BOOTLE v RAINFORD **Match cancelled**

The rainmaker came! The match was settled without a ball being bowled as both captains shook hands in the middle at 1:00 pm.

SATURDAY 14th JUNE, LEIGH v FIRWOOD BOOTLE

Leigh 274-3 dec (44.5); Firwood Bootle 162 all out (42)

Leigh won by 112 runs

This developed into a bit of a one-man show in the end. Matty McKiernan dominated with the bat, posting his highest Liverpool Comp score in 20 years of 150* from 103 balls. Yet at the start there was no hint of what was to follow. With Kieron still absent from the side Jaden Rose joined Sagar to open the bowling and it took nearly 5 overs before a run was registered off the bat. No sign here then of what was to follow. There was an opportunity to get Luke Prescott out early on off Sagar's bowling which was missed in the slips, but there was a breakthrough with the score on 37 that brought McKiernan to the crease. Unfortunately we dropped a chance when he was only on 5, but these things happen to the best of players (unless you're an Australian Test fielder of course). So with that bit of luck on his side he never looked back as he and Prescott (76) put on a 2nd wicket partnership of 192. The ex-Derbyshire county batsman hit 8 sixes and 10 fours in his unbeaten knock, a strike rate of 145.6 which looks more like a t20 innings. And more than one ball was lost in the houses around the ground, so in the end we were left with a huge task to try and match that mammoth Leigh score.
They eventually declared on 274-3 when McKiernan had reached his milestone, which meant we would have to chase the highest total scored against us this season in order to win. Shaneil had tinkered a little with the batting order, moving Ali Andrady up to open with Ryan Westwell. This meant dropping Steve Rimmer down to four. But with our reply standing at 80-7 after 23 overs, this clearly wasn't quite working. We were trying hard to match McKiernan's display, but obviously trying

too hard. It has to be said though that there was some excellent fielding by the Leigh side that gave them the upper hand in the match and which helped to claim so many wickets early on. In particular a one handed slip catch by Karl Brown above his head which went hard and fast, for Tom Meskell's wicket. So when Sagar was dismissed to leave us in a spot of trouble, it brought Jhangir to the crease alongside Kris Ali. Kris has been excellent since joining us and I don't think it will be too long before we get a very big score from him. His wicket keeping has been very good from the start and he hasn't looked out of place in the batting line up either. He certainly gave some respectability to our innings when we were struggling with the Adam Shallcross pace. Shallcross was quite aggressive at times and in fact there was a slight delay when Jhangir was hit on the side of his helmet and needed a bit of time to recover. Once he picked up his bat again though the pair helped the team reach 3 batting points when it seemed at one time we'd be lucky to get any. They put on 81 for the 8th wicket with Jhangir (33*) and Kris (63) scoring his best for the club so far this season. Shallcross was quite smart getting Kris out eventually, it looked like he bowled three or four yorkers at him which he dug out but the last ball of the over had a bit of bounce in it which he only managed to edge to slip. To rub a bit of salt into our wounds McKiernan just happened to tie up the last 2 wickets in consecutive balls to win the match. As if he needed those wickets to earn himself player of the match.

SATURDAY 21st JUNE, FORMBY v FIRWOOD BOOTLE

Firwood Bootle 225 all out (51.1); Formby 229-6 (33.4) - Formby won by 4 wickets

It made a welcome change to see us bat first, as one way or another we always seem to be put in or, if we win the toss ourselves, we put the opposition in. Skipper Shaneil stuck with his batting order from the previous match at Leigh leaving Ali Andrady to open with Ryan Westwell. But after hitting a boundary off the 3rd ball of the day he was trapped lbw off the next one. That brought Sagar in at no.3 as he moved up the order in the absence of Ali's brother Josh. But this was similar to the Leigh match where a lot of the top order got a start but didn't quite add to it. Steve Rimmer was a good example. He showed good technique after a couple of low scores in the last few games and was trying to push the score along but was bowled trying to sweep the left arm spinner. We'd reached 85-4, which was an improvement on last week's when we were 7 wickets down at this point. So Ivan Kriek and Kris Ali took the game on, currently our two top scorers in the Club in the Premier league. Ivan in fact is not far off 500 runs in the league this season and to underline that point he's actually 4th in the batting ratings for the Liverpool Comp. That includes all competitions though, not just the Premier league. Still, it's a great achievement and one which we've relied on, so if he keeps it up and gets support from his team mates I think we're in a good

It is with great sadness that we share the passing of **Eve Douglas** (Cockbain), a lifelong and much-loved member of Bootle Cricket Club, who passed away on Friday 20th June, aged 90.

Eve's journey with Bootle began at just six years old, when she first came to Wadham Road to watch her brothers play cricket — the beginning of a life-long passion for the game and the club. Over the decades, she became a cornerstone of our community, supporting through generations as she raised her children Diane, Ian, and Ange, and later cheered on her grandchildren from the boundary.

A constant presence at matches, Eve's loyalty and love for the club were matched only by her generosity. Whether ferrying grandchildren to games or feeding players and supporters from the boot of her car, Eve's selfless nature and infectious smile became symbols of what makes Bootle Cricket Club truly special.

Her unwavering support, competitive spirit, and warm heart touched everyone who had the pleasure of knowing her. Eve's legacy will live on in the memories of those she supported and inspired. She will be deeply missed by all of us at Firwood Bootle CC.

Our thoughts are with Eve's family during this time.

Eves Funeral will be held at Thornton Crem on Friday 18th July at 3pm and then all invited back to Firwood Bootle Cricket Club to raise a glass or two, all our welcome to attend.

started our own innings. Only Arthur Cook (14) and Garry Henderson (12) managed to reach double figures as we were skittled out for 64 losing by 8 runs. But after the great start to the season the 3s have had I think we can allow them an off day. The draw last week was earned against Wavertree who batted for 45 overs making 168-6. In reply, we struggled to get close, but skipper Lee Brown held the side together with a solid undefeated 42 to save the game. Sami Ullah made an important contribution as well opening the batting and scoring 28 runs including a six and 3 fours.

FIRWOOD BOOTLE v WALLASEY

position to improve our placing at the moment. Anyway, back to Formby. Ivan and Kris did what they always do and pushed the score along putting on a 51 partnership for the 5th wicket. We're not over-reliant on these two by any means, Jhangir has been showing how good he can be lately making 22 in a short time, swiftly followed by our two young guns Jaden Rose (18 runs from 19 balls) and Joe Adderley (19 runs from 11 balls). So, along with another half century from Ivan (57) we got to a respectable 225. As it turned out we were probably only 20 or 30 runs short from winning this and we might also have been affected by a couple of stoppages for rain too, 39 mins and 35 mins respectively.
When I mentioned the batting ratings earlier, there's a familiar name to Bootle CC at the top - Ian Cockbain. So when Kieron bowled him for just 16 we wrongly believed that was nearly job done. Tom Billington (68) and Ollie Sutton (65) had other ideas though and put on 108 for the 4th wicket. There was one overthrow and a couple of fumbles in the field but it's all a learning experience and the overthrow worth 5 runs can be put down to over enthusiasm, trying to tie the batting team down. So Formby got there in the end but to finish on a positive note Ivan posted his best bowling figures for the Club so far taking 3-23 off 6 overs. We've now got two home matches coming up, let's hope we take advantage of them.

KNOCKOUT NEWS

THURSDAY 19th JUNE, ECB VITALITY CLUB t20, FIRWOOD BOOTLE v RAINFORD
Rainford 157-6 (20); Firwood Bootle 143-9 (20). Rainford won by 14 runs

This was our last chance of cup glory this season and we made a brave attempt to stay in this one to reach the semi final, but just fell short. It was a lot closer than our previous T20 fixture against them though, which was a 7 wicket defeat in the Liverpool Echo knockout in May (also at Wadham Rd), but the truth is we just need to avoid Rainford in future. Simple as that. Rainford got off to a flyer in the first 10 overs reaching 93 before losing their first wicket. At that rate they'd have reached near 200 so at least we managed to get a bit of control back. Login and Desai both scored 50s, Desai also proved to be the match winner in the Echo cup in May too hitting an unbeaten 68. Jaden Rose removed Login and Ivan had Desai caught by Steve Rimmer soon after which slowed them down a little. So facing a target of 158 to win it didn't seem a bad idea opening with Sagar and Ivan but we lost both early on. Kris Ali (38) and Tom Meskell (28) took up the baton and got us right back in the game putting on 62 for the 3rd wicket. Steve Rimmer found his form with a quick fire 24 from 22 balls but once they'd gone we couldn't quite get over the line, eventually losing by just 14 runs. Better luck next season. *Scoop*

BOOTLE 2nd XI - New record set for 1st wicket partnership!

There was plenty to celebrate two weeks ago when the 2s faced Orrell Red Triangle at Wadham Road. The highest opening partnership of 241 between Callum McGee (86*) and Tom Carr (143*) beat a record which had stood for 35 years! That was made in 1990 when Mike Mannion and Phil Gill put on a stand of 220 at Sefton Park. So it's the first time a 200 partnership has been made at Wadham Road as the best before that was when Tom Carr put on 184 with Anthony McDonald in 2016. The match itself produced a win by 63 runs as Orrell were bowled out for 178. Although Callum fell short of getting a century as we declared on 241, he still might have had a case for player of the match as he managed to bag 4 wickets too. The full figures if anyone likes to make a note of these things was Tom's 143 was made up of 4 sixes and 18 fours, while Callum's 86 featured 13 fours without any sixes. Callum's full bowling figures were 10-1-35-4. To complete the best stats Andy Hunt also took 4 wickets. 10.5-3-45-4.

(Thanks also to Tom Law for providing the list of record partnerships)

I suppose it was a case of, "after the Lord Mayor's show" last week as the 2s didn't follow up on such an exciting match the week before. It was a real contrast really as we faced Spring View (again at Wadham Rd). It seems we failed to capitalise on a good start when Spring View were 24-3 at one stage but they recovered to reach 215-4 when they decided to declare. Unfortunately we didn't get close and were bowled out for just 74 after 24 overs, losing by a margin of 142 runs

BOOTLE 3rd XI

Since the last published results when the 3s had won all six of their opening games, they've since had their first defeat of the season and then drawn the latest one, but still remain top of the table. The loss was in a low scoring game against Wallasey after they'd won the toss and put themselves in. Then we promptly bowled them all out for 72, thanks to a terrific performance from Kumar Gurrampalli who finished with 6-10 from just 7 overs. Hannah Gallimore helped the cause too, although not taking a wicket from her 10 overs, 5 of them were maidens and she only conceded 9 runs. Things didn't work out so well though when we

BOOTLE BELLES

We had 3 games in 3 days so plenty to let you know about! I'll go in order as this also leaves the best until last!

On Sunday 15th June we had 2 softball games. First up was Rainford in the league. It was an excellent game where we bowled first with Jackie Westhead finishing on an impressive 8-2 and Elsie Guinness with 19-1. Rainford ended on 285 (net) so we had a big score to chase. We batted better than we had all season with Maisie Edwards getting 15 and Liz Mundie getting 14. The game was so close and went down to the last ball, unfortunately we lost by 3 runs (net score 282) but the team were amazing and we put on a higher score than we had before so I was incredibly proud!

Our second game was against Fleetwood Hesketh in the cup, I lost the toss so we had to bat first and we managed to put on an even higher score than we had in the morning, finishing on 295! We had an incredible performance from Daisy Pavey who scored 23 runs and also Heidi Ward who got 11 runs. Also, a special mention to Chloe Hunt for getting her first 4 for the club! We had an excellent bowling and fielding performance to follow and they finished on 247 so we won by 48 runs! Jess Licence bowled amazing again and ended on 13-2 and Daisy Pavey ended on 11-0 but with 2 maidens! As always, I was super proud of the team! We also had Emilia Pavey step up and play in our softball team for the first time - and she played both the matches and she was incredible with bat and ball and took 2 catches!

Then Tuesday 17th we played Northern in the hardball super 8s and it was an incredible result! We batted first and put on a score of 283, Rach Thomas scoring 12 and Gemma Hurst with 11. We then took 2 wickets in the first over and it just carried on from there. Northern ended on 209. The girls took 12 wickets in total, which is a great achievement, so might be worth researching further. Rach Thomas ended on 17-5 and Gemma Hurst on 17-3; Gemma also took 4 catches. It was a great game to watch and carries on our great form in the hardball Super 8s league.

Sunday 22nd saw an easy win at home to Old Xavs in T20 development league, after rain reduced to 10 overs per side.. Hannah Gallimore took a wicket with the first ball of her over, then also took a catch for the 2nd wicket off the bowling of Lily Benton-Newman. When Heidi Ward claimed the 3rd wicket this left Old Xavs on 15-3. There was time for one more wicket before the end when Rach Thomas took a wicket in the first ball of the last over leaving the Belles chasing
